

## Home Firearm Safety Course

The purpose of this course is to introduce the basic principles of firearm safety. It concentrates on gun handling and storage *within the home*.

This course satisfies the state requirement of a safety course, which is needed to apply for a LTC (License to Carry).

Upon finishing this course, the student should understand and be able to apply;

- **The basic elements of gun safety-attitude, knowledge and skill;**
- **The fundamental rules of safe gun handling;**
- **How to identify and unload different types of firearms.**
- **The different types and uses of ammunition;**
- **How to clean and care for guns;**
- **Factors for evaluating gun storage options.**
- **State Firearm Law brochures given out and discussed.**

Understanding these points will enable the student to enjoy the many benefits of gun ownership and participation in shooting activities.

**Upon successful completion of this course the student will be issued a *NRA Home Safety Completion Certificate* and a *Massachusetts State certificate*.**

**Course date will be February 9, March 8, April 12, May 10, June 14, September 13, October 11, November 8 and December 13, 2008 from 8am to approximately 2:30 Pm at Riverside Gun Club, Inc. You need only attend one date.**
